

THIS WEEK'S EPISODE marks the demise of this left handed column in The Herald, since this is the final issue of Your Home Town Paper to be edited by this humble writer. It will no doubt give way to something good and constructive. We hope so.

As we sever our connection with newspapers which began as a toe-headed tyke back in Wise County, we know a void will be left in our life. We have enjoyed practical every day of our brush with the fourth estate, in spite of its ups and downs.

We have never become "burnt out" with the newspaper business. Sure, we have been on the brunt of some "blessing outs" for some things we've printed—and for things we haven't printed. In fact the criticisms have been more plentiful than the praises and thanks. But life generally is like that, isn't it? We've even been in a libel suit as the result of an error several years ago. And we lost—in court, but not our principles and our countenance.

As one parting gesture to people generally of my home town of Hamlin—an idea that is almost as much a part of our life as our religion — oh, that people would support their home town that educates their children, protects their homes with police and fire facilities and provides livelihood for most of them! Why, Hamlin would be a city of 10,000 people within five years if people traded at home—it couldn't help it.

We challenge our friends to stop and consider what proportion of their income they spend to help other towns grow. It just doesn't make sense to us. At any rate, we prophesy that until people resolve to boost one another, trade at home and work together more, our town has a bleak future, when it has the greatest possibilities of any little city in the country!

As we give way in a few days to younger people, we bespeak for the Bob Craigs a fine relationship in Hamlin. May we humbly urge people of the community to cooperate with them. They will make you good citizens—energetic, friendly, courteous and deserving.

May we humbly suggest that those who have articles for the paper to turn them in early. While Tuesday noon has been the deadline for copy, the bulk of the paper must be prepared before that time. Stories about events that happened a week previously in many instances are not reported until Tuesday. That puts the printers in a bind—they must work nights to have your paper on time. Working in a strain, they are more apt to make errors (which are the easiest things in the world to make); late news stories cannot be given proper prominence in the paper — and the publisher is blamed for getting Mrs. Smith's initials wrong! If a party is given on Thursday, Friday is the best time for the article to be prepared, when it is fresh on the reporter's mind, and it can be properly typed and allocated to its just position in the paper. A doctor, faced with 20 patients at his time to go home, cannot give proper attention to them with a clear mind; neither can a publisher properly handle a raft of stories brought in right at the deadline. So, please, won't you reporters cooperate with your new paper people?

We've been asked where we are moving. Frankly, we will be around Hamlin a big portion of the time for a long time to come. Be seen' you.

The Country Parson

"Real wealth comes to the man who has learned he is best for the things he does for nothing."

FOUR PRETTY MISSES operate at "full throttle" in preparation for the title of "Miss Beauty of Hamlin" in conjunction with the current clean-up, paint-up, fix-up campaign being sponsored by the Junior Chamber of Commerce. Ready for the tractor for last Saturday's kick-off parade were Jorene Hudspeth, Nina Jean, Charlene Pendley and Ann Robinson, all juniors at Hamlin High School. There are 38 other high school girls vying for the honor. Final judging for the Miss Beauty of Hamlin title will be this (Thursday) evening at 7:30 o'clock in the high school auditorium.

Miss Beauty To Be Named This Evening

One of the biggest and most colorful parade staged in this Northwest Jones County metropolis Saturday afternoon signalled the kick-off of the Hamlin clean-up-paint-up and fix-up campaign being sponsored by Hamlin Junior Chamber of Commerce.

An estimated 3,000 people lined the streets to witness the parade that featured 42 Hamlin High School girls competing for Miss Beauty of Hamlin title, to be decided this (Thursday) evening in the high school gymnasium.

Each girl is sponsored by a local business concern or civic organization.

Carol Joe Simpson Awarded Sousa Plaque Thursday

Carol Joe Simpson received the first John Phillip Sousa Band award given at Hamlin High School auditorium Thursday evening at a music festival, featuring all four bands in the school system under the direction of Tim Jones.

Miss Simpson, a senior trumpet player who plans to attend Baylor University at Waco, was awarded a certificate and a desk set. A plaque also was given the school with her name engraved as the winner. Names of other winners will be added each year.

Daughter of Mr. and Mrs. Joe A. Simpson, Carol Joe was selected by secret ballot as the senior band student most displaying a combination of talent, cooperation, loyalty and high character for four band years. The first chair trumpet soloist also reigned as band sweetheart her senior year.

Sousa awards are given nationally, sponsored on local levels by clubs or organizations. The band sponsored the Hamlin award.

About 500 attended the two-hour band festival, which featured the high school, junior high, fifth grade and sixth grade bands. Director Jones presented the award and conducted the concert. Clyde Peterson, Anson band director, conducted one number, which featured a trumpet solo by Jones.

H-SU Official Speaks At Brotherhood Meet

Dr. George Graham, vice president of Hardin-Simmons University at Abilene, will be featured speaker Monday evening at the regular monthly meeting of the Men's Brotherhood of the First Baptist Church.

A father-daughter banquet will be staged as girls of the church will be feted at the covered dish supper preceding the program in the fellowship hall of the church.

To qualify for the title, she must be able to participate in the parade and be a high school student. In addition, each girl must have worked on a float design depicting some phase of the clean-up campaign.

Members of the newly organized Jaycees offer their services free of charge to rid vacant lots of weeds, trash, etc., in a move to beautify Hamlin.

An added feature of the kick-off parade, 12 new attractive trash barrels, painted green with white lettering, "Keep Hamlin Clean" painted on the side, were placed at advantageous points on main business thoroughfares.

Jerry Howard, president of the Jaycees, said every civic club in town had been contacted and urged to cooperate with the clean-up campaign. The Hamlin Garden Club held a flower show, "Springtime in Texas," in the high school gymnasium and planned to name an official flower, tree and shrub for Hamlin.

As an added incentive for citizen participation in the clean-up campaign, the Jaycees entered Hamlin in the National Cleanest City cities in the 5,000 population class.

Hudspeth and Killion Picked for Posture

Jorene Hudspeth and Peggy Killion have been selected to represent Hamlin in the district correct posture contest, to be held May 1 in San Angelo, it was announced this week by Dr. William A. Pattillo, chairman of the local contest. The winner of the district contest will go to the State Chiropractic Association convention June 9 to 11 to enter the state correct posture contest.

Eighth Graders Go to Abilene for Tour and Outing at City Park

Students of the eighth grade at Hamlin Junior High School last Wednesday went to Abilene for tours of industries and a day of fun.

Wednesday morning was spent touring Dyess Air Force Base. Students greatly enjoyed the guided tour, seeing the B-47s and Globemasters. The group enjoyed the noon period at Fair Park touring the zoo and testing playground equipment.

Leaving the park, the 78 youngsters visited Dr. Pepper Bottling Company, Borden's Creamery, and Mrs. Baird's Bakery.

Accompanying the group, who traveled by school bus, were Mrs. Joe Lewis, Mrs. Everett Gibson, Leslie Fambrough and Principal Marvin Carlton.

Politics Simmers As Interest Grows In Hamlin Region

With only a little more than a week to go before voting time, politics in the Hamlin area has become a little more fiery, although the political pot of stew has never really stewed much, if a Herald reporter is any judge of candidating.

While portions of the voters hereabouts are interested in various races, probably the most talked-about race in the forthcoming election on Saturday, May 7, is that of governor. Challenger Jack Cox of Breckenridge will surprise Governor Price Daniel with a heavy vote in these parts.

Other state level races have evinced little interest generally.

In the race for Congress in this 17th Congressional District, both Bob Wagstaff and Roy Skaggs will poll fair votes in their races against incumbent Omar Burleson of Anson, who should easily carry his home county of Jones.

In the contest of Keith Wheatley of Stamford and incumbent Leon Thurman of Anson who seeks reelection as representative to the State Legislature, both will poll good votes hereabouts.

Good interest is being created by Bill Longley, challenger of Sheriff Dave Reeves. This is anybody's race, we aver.

The five-way race for the tax assessor-collector post will be the hottest one in the county. The candidates are "beating the brush" for every possible vote. The incumbent, Ima B. Dougherty, is not seeking reelection.

Also of top interest in the northwest Jones County precinct of which Hamlin is the biggest voting box, is the race between incumbent Johnnie Agnew, county commissioner, and Bernia Reid. Both these men, living at Hamlin, have heavy followings, and the outcome is a toss-up.

DePriest School Will Present Annual Play Tomorrow Evening

Students of DePriest Colored High School are presenting their annual spring play tomorrow (Friday) evening at 8:00 o'clock, it is announced by Mrs. W. C. Butler, director. The play is a comedy in three acts, entitled "Beef Stew."

Characters for the play are: James Earl Pinkard as Beef Stew; Walter Franklin as Clarence Melville; Juanita Douglas as Grace Melville; Sarah Oliver as Jane; Etta Jean Martin as Gwendolyn; Thomas Fry as Aloysius; Barbara Nell Johnson as Susie; Lola Mayes Douglas as Peaches; Hardy Nabors as Cream; Bertie Brown as Boots; Robert Jones as Saddle; Jack Breedlove as Drumstick; and Bertha Douglas as Miss Finster, the English teacher.

At the present time McCurdy is employed as a butcher at the Crow Brothers Grocery and Market.

McCurdy is married, and he and his wife have three children, Danny, 18, who is a senior in high school; Bobby, 17, and Jimmy, 13.

CANDIDATES FOR ATTORNEY GENERAL—Attorney General Will Wilson (left), Speaker of the House Waggoner Carr (center) and Bob Looney are all candidates for attorney general of Texas in the Democratic primary. Wilson is from Dallas, Carr from Lubbock and Looney from Austin.

FIRST SOUSA AWARD to be given at Hamlin High School for outstanding work by a senior band student was presented last Thursday evening during the Parade of Music, annual band concert of the four school bands under the direction of Tim Jones. Carol Joe Simpson was presented the John Phillip Sousa award by Director Jones. Superintendent of Schools C. F. Cook (left) holds the plaque. It will be exhibited by the school with each year's recipient's name engraved on metal plates. Miss Simpson, a senior trumpet player, was chosen by secret ballot by the members of the band and school officials. Sousa awards are given nationally through local sponsorship.

Gas Rates at Hamlin Will Be Increased by New Schedule

John McCurdy to Assume Chief of Police Job May 1

John McCurdy, former night warden of the state penitentiary at Huntsville, Friday evening was named by the City Council as chief of police for Hamlin. He will assume the position Sunday, May 1.

McCurdy will succeed E. B. (Buddy) Watson, who has been chief of police since 1955. Watson will return to operate his farm. Watson had told members of the council several months ago he was going to resign.

McCurdy was one of four applicants for the position. He moved to Hamlin two years ago from Huntsville, where he served as night warden at the state pen. Prior to that he had served on the Tyler police force 10 years. He was a sergeant eight of the 10 years, and was also deputy sheriff at Tyler.

At the present time McCurdy is employed as a butcher at the Crow Brothers Grocery and Market.

McCurdy is married, and he and his wife have three children, Danny, 18, who is a senior in high school; Bobby, 17, and Jimmy, 13.

NEW CHIEF OF POLICE of Hamlin beginning Sunday will be John McCurdy (above), who was named Friday evening by the City Council. He succeeds E. B. (Buddy) Watson, who will return to farming.

Jerry Howards Go to State Jaycee Confab

Mr. and Mrs. Jerry Howard and daughter returned Sunday afternoon from Houston, where they last week-end attended the annual state convention of the Junior Chamber of Commerce of Texas. Howard is president of the newly organized Jaycee group in Hamlin.

City Council OKs Rate Increase to Offset Gate Price

Natural gas bills in Hamlin will reflect an increase of about 10 per cent with the July 1 billings of the Lone Star Gas Company, it was announced by company representatives over the weekend.

The increase of 5.4 cents per 1,000 cubic feet of gas was approved at last Tuesday evening's regular meeting of the City Council, when a new schedule of rates for commercial and residential patrons was presented by company officials. Presenting the request to the council were H. D. Smith, Stamford, district manager, and Lester Minton, local manager for Lone Star.

After discussion, the ordinance embodying the increase was unanimously adopted by the full membership of the newly named City Council.

It was brought out at the session that the proposed Hamlin rates are in line with those already approved and being sought in area towns of comparable size. The new rate, incidentally, will be lower than that for Abilene, for example, Smith declared.

District Manager Smith explained that the increase to the average residential user of natural gas would amount to slightly more than one cent per day.

On February 15, 1960, the Railroad Commission of Texas issued an order authorizing an increase in the city gate charge of 5.4 cents per 1,000 cubic feet of gas. The rate revision requested by Lone Star is the exact amount of the increased charge at the city gate ordered by the railroad commission.

The gas company representatives emphasized that "the requested increase will only offset the increased cost of gas to the distribution division at the city gate. The rate now in effect in Hamlin was based on our 1951 cost of service, yet the costs of serving our customers had increased continually since that year."

VISITS PARENTS HERE.

Lieutenant Colonel W. H. Pickron Jr. of Knoxville, Tennessee, spent the week-end with his parents, Mr. and Mrs. W. H. Pickron, at Hamlin.

Car Crashes into School Bus East Of City Monday

Two people were killed instantly and a third one died Tuesday morning when their car was in collision with a Hamlin school bus about four miles east of Hamlin.

Killed were Mr. and Mrs. J. C. Seaton Sr., about 60, of Roscoe. Their son, J. C. Seaton Jr., of Andrews was seriously injured in the accident and died Tuesday in the Hamlin Memorial Hospital.

The accident occurred on Highway 92 east of Hamlin in the Dovie community, when the Hamlin school bus, driven by Elvin Kelley, high school biology and English teacher, was preparing to make a left-hand turn. The investigating officer, Highway Patrolman Ocie Refrow, said apparently Kelley, on seeing the approaching Seaton car, suddenly decided to turn back on the highway, and the car struck the bus with heavy impact.

The car was a total loss. The school bus was damaged an estimated \$500.

Funeral services for Mr. and Mrs. Seaton Sr. were conducted Wednesday morning at the First Methodist Church in Roscoe. Interment was in the Knox City Cemetery. Hamlin Funeral Home handled local arrangements.

Mr. and Mrs. Seaton are survived by three other sons, James and Gayland of Roscoe and Donald C., who is stationed with the Air Force at Las Vegas, Nevada; and two daughters, Mrs. Glenn Tarrant of Abilene and Mrs. Danny Lyons of Lubbock.

Half Inch of Rainfall Recorded Tuesday

The first appreciable moisture to fall in the Hamlin territory in several weeks fell Tuesday night to give grain fields and planting beds a needed drink. The government rain gauge at the city pump station recorded .50 of an inch up until 8:00 o'clock Wednesday morning, according to Bill Rountree, the gauger.

Rain was heavier in some sections. About half an inch fell at Neinda, with up to an inch being recorded east of that community.

The half an inch fall at Hamlin brought the year's total of 3.14 inches, which is below normal.

DePriest School Will Host Area Musical

Annual spring musical for colored schools of the Central West Texas area will be held at DePriest School in Hamlin next Friday, May 6, it is announced by J. I. Starr, principal of the local school.

Schools already indicating they will participate in the musical are Lakeview High School of Big Spring and Woodson High School of Abilene, plus DePriest.

One of the area schools' feature activities of the year, the musical gives recognition to the work being done at DePriest under the tutelage of Noble A. Canida, musical director, and others at the school.

Two new citizens have been recorded at the Hamlin Memorial Hospital since last week's report in The Herald. A boy and a girl, they are:

A boy arrived for Mr. and Mrs. Max Murrell on April 17. Weighing eight pounds 12 ounces, he was named Roger Grantly.

A girl for Mr. and Mrs. Charles Park of Rotan was born April 20. After having her weight tabulated at seven pounds 15 ounces she accepted Melinda for a label.

MORE PAY WILL ATTRACT BETTER TEACHERS

The schools of Hamlin community, Jones County and Texas as a whole are not perfect, and we would not pretend that everyone employed in the promotion of education is the best available for his or her particular job. Nevertheless, we do not hesitate to assert that those who labor with the education of our youth are, as a rule, poorly paid. The result is, of course, that men and women are leaving the teaching profession by the thousands in order to make sufficient money to acquire the things that they desire and to lay aside a competence for old age or a rainy day.

Any school system gets the type of teachers that its salary scale warrants. Where the teachers are adequately paid and where teaching is a profession that offers a reasonable competence to worthy individuals, the best teachers seek positions. Obviously, in

the schools of the land, just as in the schools of Hamlin and Jones County, to get the best results one must engage and retain the best teachers.

We are extremely aware that many citizens in this area have the impression that teachers, as a class, are well paid at the present time. We are not inclined to agree with this conclusion, but, granting for the purpose of discussion that the statement is true, we cannot escape the conclusion that if a more attractive career could be offered to prospective teachers, the profession would attract an increasingly able and intelligent personnel.

We, therefore, have no hesitation in saying that it is a paying proposition to provide money for education and to provide the cash with which to pay teachers good salaries. We know of no better investment in community building or in the promotion of business for those who live in this area.

Four Wonderful Seasons

The question, "Which is the happiest season of life?" being referred to an aged man, he replied:

"When spring comes, and in the soft air the buds are breaking on the trees, and they are covered with blossoms, I think, 'How beautiful is spring!'"

"And when the summer comes, and covers the trees with its heavy foliage, and singing birds are among the branches, I think, 'How beautiful is summer!'"

"When autumn loads them with golden fruit, and their leaves bear the gorgeous tint of frost, I think, 'How beautiful is autumn!'"

"And when it is serene winter, and there is neither foliage nor fruit, then I look up through the leafless branches, as I never could until now, and see the stars shine!"

Nuggets of Thought

If you wish to travel far and fast, travel light. Take off all your envies, jealousies, unforgiveness, selfishness and fears. — Glenn Clark.

Every man has two educations—that which is given to him, and the other, that which he gives himself. Of the two kinds, the latter is by far the most valuable. Indeed all that is most worthy in man, he must work out and conquer for himself. It is that, that constitutes our real and best nourishment. What we are merely taught seldom nourishes the mind like that which we teach ourselves. — Richter.

The integrity of men is to be measured by their conduct, not by their professions. — Junius

The confidence which we have in ourselves gives birth to much of that which we have in others. — La Rochefoucauld.

More pernicious nonsense was never devised by man than treaties of commerce. — Disraeli

Self conquest is the greatest of victories. — Plato.

Compliments and flattery oftenest excite my contempt by the pretension they imply, for which is he that assumes to flatter me? To compliment often implies an assumption of superiority in the complimenter. It is, in fact, a subtle detraction. — Thoreau.

Enjoy your own life without comparing it with that of another. — Condorcet.

Inconsistency is the only thing in which men are consistent. — Horace Smith.

I had rather be hissed for a good verse than applauded for a bad one. — Victor Hugo.

Monuments! What are they? The very pyramids have forgotten their builders, or to whom they were dedicated. Deeds, not stones, are the true monuments of the great. — Motley.

When the oak is felled the whole forest echoes with its fall, but a hundred acorns are sown in silence by an unnoticed breeze. — Thomas Carlyle.

Henry Van Dyke Said ...

A friend made is better than an enemy punished. We are nearer heaven when we listen to the birds than when we quarrel with our fellow-men.

There is more of God in the peaceful beauty of this little wood violet than in all the angry disputations of the sects.

Do you think that to be blind to the beauties of earth prepareth the heart to behold the glories of heaven? Nay, Scholar, I know that you are not of that opinion.

The Motorist's Prayer

Grant me a steady hand and watchful eye. That no man shall be hurt when I pass by. Thou gavest Life: I pray no act of mine May take away or mar this gift of Thine. Teach me to use my car for others' need. Nor ever miss, through any love of speed, The beauties of Thy world—and thus I may With joyous heart and courtesy go my way.

Editorial of the Week

WHOLE WORLD IN YOUR HANDS!

At the start of this new decade many people are expounding on our country's brilliant future and others are predicting our rapid decline. It is very confusing to read on one hand that we are now a second rate nation in the space race, and on the other that we far exceed any nation, past or present, in worldly goods and mechanical know-how.

In 1840, Alexis de Tocqueville wrote that the United States would enter a period when, for the first time in all history, people would have so much social, political and economic freedom that they could choose what they wanted in practically every aspect of life. To this he added that with so much freedom and so much abundance, the people would be confronted with many more decisions than ever before, and there would be the increased risk of making wrong ones.

Therefore, the fate of our nation rests upon you and the people you influence. If you want to make a quick buck above all else, if you would trade security for freedom, if you have lost the moral fiber of your ancestors, our nation is in grave danger. For in a free world you do your choosing as to leaders, but they cannot put meaning or purpose or moral standards into your lives. That is up to you.

Of course, there are many people who set up the wrong standards and goals for their lives. But there are millions more who every day use their freedoms well and wisely, to work and grow along healthy, constructive lines. In the hands of these millions rests the future of the United States. There is no reason why those who proclaim a future brighter than any yet seen by man should not be true prophets. The fate of the world is within each of us. — Texas Tax Journal.

RECALLING Other Years

★ Being news items taken from old files of Your Home Town Newspaper The Herald.

FORTY YEARS AGO.

Among news items of 40 years ago were the following, reprinted from the issue of The Hamlin Herald dated April 23, 1920:

Perry Jones, superintendent of the Abilene & Southern Railway, was here on business Tuesday.

H. S. Scales of the Country Store advertises that laundry soap is scarce and getting scarcer. He offers 20 bars for \$1 for only one more week.

Telephone rates will advance in Hamlin May 1—from \$2.75 to \$3.25 per month for businesses, and from \$1.75 to \$2 per month for residences.

M. T. Via and Levi Wilson made a business trip to Bailey first of this week.

Euell Green came in from college at Abilene to spend a few months vacation at home.

W. E. Benson, manager of the Cecil & Company store, returned first of the week from the markets in Dallas and Fort Worth.

THIRTY YEARS AGO.

From the issue of The Hamlin Herald dated April 25, 1930, the following news briefs of 30 years ago in the Hamlin community are reproduced:

Graduating class of McCauley High School will receive their diplomas Friday evening. They are Mary Jim Boyd, Lois Lorena Wilmon, Flora Tindal, Opal Inez Brown, Marcelle and Winona Scarborough, Linnie Gillis, Eva Dell Jarnigan, Freddie Jones, Nola L. Castleberry, Minnie Lee Fields, Dorothy Dean Clark, Alice Lucille Hodges, Noel Weaver, Andrew J. Taylor, Sam Hodges, James Hershel Hubbard and George W. Scott.

According to the preliminary report of the Census Department, Hamlin shows a gain of 691 over the 1920 census, with a present count of 2,324 people.

Will Routh of Amarillo is now spending a part of his vacation with his parents, Mr. and Mrs. J. T. Routh, at Hamlin.

Verona East was a guest of the Gray Wootens in Abilene over the week-end.

TWENTY YEARS AGO.

The news briefs below are reprinted from the issue of The Hamlin Herald dated April 26, 1940:

Mrs. T. A. Young of Dallas spent last week in the Hamlin community visiting her sisters, Mrs. K. T. Scott and Mrs. Leland Seifres.

Boyd Farrow, who has been working for R. B. Spencer & Company, has accepted a position as manager of the Acme Lumber Company in Avoca.

Mrs. Miriam A. (Ma) Ferguson this week announces her candidacy for governor of Texas. Her political announcement is paid for by Hamlin friends.

Members of the senior class of Hamlin High School this week are on their annual trip. They are touring West Texas and New Mexico, including a visit to the Carlsbad Caverns.

TEN YEARS AGO.

Among items of interest of 10 years ago were these from The Hamlin Herald of April 28, 1950:

Crop outlook in the Hamlin territory is much brighter this week since the recent general rains, a check-up of the area reveals.

C. L. Howard, former Quanah pharmacist, this week became the new owner and operator of the City Drug Store. He purchased the business from Mrs. John Ed Day, who will continue her association with the store.

Stanley Carmichael, Jim Howard King, Harry Carmichael, B. O. Bell, Bob Riddell, Wilson Brannon and James Owens made a week-end fishing trip to Possum Kingdom Lake. High winds prevailed, and the boys report not too good luck.

FIVE YEARS AGO.

News briefs below are taken from the issue of The Hamlin Herald dated April 29, 1955:

Technical difficulties about the construction of the new swimming pool have been worked out, and people making pledges to the project are urged to make payment soon so construction may get underway.

A mass meeting of citizens of the community is scheduled for Thursday morning to discuss the fate of the Chamber of Commerce. With resignation of Onis Crawford, interest has been lagging in the organization.

Dr. W. S. Seals, dentist, has been elected president of the Hamlin Lions Club.

Tourist Industry Shows Big Drop in Revenue in State of Texas Last Year

The 1959 Texas tourist industry report released by the State Highway Department this week shows a \$100,000,000 drop in tourist expenditures within Texas in the past two years.

In 1939, highway department surveys indicate 9,600,000 visitors spent \$431,000,000 in Texas as compared to 1957 estimates of 10,300,000 visitors and \$531,000,000 spent.

Herbert C. Petry Jr., chairman of the Texas Highway Commission and member of the Texas Development Board, expressed the hope that the new state advertising program would soon get underway in full force. He indicated that this program would be most effective in expanding the trade.

Stilbesterol Helps Steers Gain Fast In Demonstration

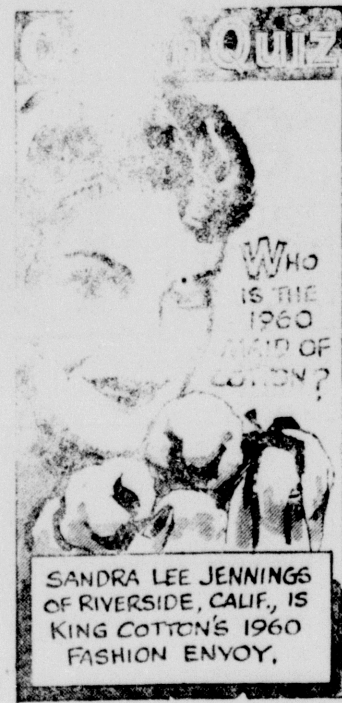

Cattle raisers of the Hamlin territory are reminded that choice Hereford steer calves implanted with 12 milligrams of stilbesterol when approximately three months of age averaged 19 pounds more per steer at weaning time than their non-implanted mates. Kirby Clayton, Jones County agent, also says that these calves had an advantage in condition which was reflected in a slightly higher grade.

Forty-one choice Hereford steer calves were implanted and the same number not implanted in the test. The implanted calves weighed 321 pounds per head at weaning time, about October 1, 1959, compared with 502 pounds for those not receiving the implant of 12 milligrams of stilbesterol, Clayton said.

In continuing the comparison, one group implanted as suckling calves was reimplanted with 24 milligrams of stilbesterol on November 19. This group showed a daily gain of 1.12 pounds from November 19, 1959, to February 24, 1960. Another group, first implanted in November, had a gain of 1.16 pounds daily. The group implanted only as suckling calves in May had a daily gain of 1.00 pound, and those not implanted at any time gained 1.03 pounds daily.

The steers will be placed in dry lot for fattening about May 1 and implants again used to provide comparisons between three, two, one and no implants. The steers are expected to reach slaughter weights by August or September.

Clayton added that presently stockmen are cautioned to allow at least 100 days between implantation and the sale of the steers for slaughter.

SANDRA LEE JENNINGS OF RIVERSIDE, CALIF., IS KING COTTON'S 1960 FASHION ENVOY.

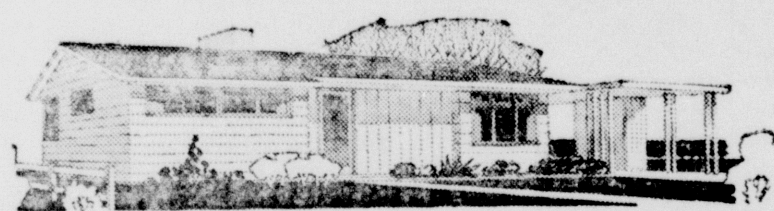

NOT MUCH FOR PRIDE.

"Ninety-eight years old, eh?" commented the tourist who had just had the village's oldest inhabitant pointed out to him. "Well, that's a remarkable record. I suppose you folks are mighty proud of him."

"Oh, I don't know," replied the native. "His record isn't that good. After all, he hasn't done anything in this town but grow old, and look how long it took him to do that!"

OVER BACK-COUNTRY ROADS AT 45
WITH A SKY-HIGH LOAD OF TIMBER

Chevy middleweight shows the big rigs how it's done!

That's a 6303 medium-duty Chevrolet powered by a 283-cu.-in. V8. But there's sure nothing medium-duty about the load. Mr. J. E. Blankinship, Arkansas logging contractor, says both of his torsion-spring R203's "move along at 40 to 50 miles per hour with 57,000 pounds gross weight and maintain a 5-trip-a-day schedule with no trouble at all." Figure the money you save when you've got a medium-duty truck that can cover 30,000 back-country miles a year with a high-tonnage load!

We've never seen anything like the amount of praise truck owners are heaping on Chevy's new torsion spring suspension. Owners like the fact the truck handles a whole lot easier, can move faster off the road without beating the driver to death and shaking loose all the sheet metal. They like the idea of extra thousands of miles before trade-in! . . . Drive a '60 Chevy just once. It's a whole new experience.

Chevy middleweight averages 200 miles of back roads a day dogging timber out of the woods and delivering it to the mill at Crossett, Arkansas.

Sophomores Lead Classes at Hamlin High School Making Fifth Honor Roll

Sophomores led the classes of Hamlin High School in making the honor roll of the second six-week period of the second semester, in tabulations of the list released this week by R. V. Newberry, high school principal. The sophs had 24 on the top ranking list.

Freshmen, with 23, were second among classes. Juniors had 22 to rate third, and seniors came in fourth with 22 on the honor roll.

Results Available on Achievement Tests

Achievement tests, designed to rate the aptitudes and accomplishments of students, were given to sixth and eighth grade students of Hamlin Junior High School Monday, announces Principal Marvin Carlton.

Parents of the students are invited to call by the school and examine the scores of their children as soon as the test are scored, Carlton states.

Political Office Announcements

The Hamlin Herald is authorized to announce the following as candidates for office, subject to the action of the Democratic primary on Saturday, May 7:

For Congress, 17th District:

ROY SKAGGS of Abilene
R. M. (BOB) WAGSTAFF
OMAR BURLISON

For State Representative, 85th Representative District:

KEITH C. WHEATLEY
LEON THURMAN

For Tax Assessor-Collector:

L. B. McNEIL
LARRY L. HOLMES
A. J. FRENCH

For Sheriff of Jones County:

DAVE REVES (re-election)
BILL LONGLEY

For Commissioner, Precinct 1:

JOHNIE AGNEW
BURNIA REID JR.

The complete honor roll, by classes, follows:

Seniors: All As—Pat Bigham, Durwood Boyd and Cynthia Patterson; A average—Barbara Cheshire, Victor Criswell, Peggy Dodd, Rebecca Ferguson, Judith Ford, Phyllis Hollis, Lana Lancaster, Ann Richey and Carol Joe Simpson; B honor roll—Ronny Fleckenstein, Dwight Griggs, Sam Hodges, Joyce Gray, Danny McCurdy, Kay Millern, Terry Scott and Carolyn Nunley.

Juniors: All As—Wayne Boatright, Montie Wade and Kenneth Wigginton; A average—Nina Jean and Ann Rabjohn; B honor roll—Mike Bond, Darla Harkey, Robert Brandon, Mac Cade, Joe Ford, Jack Haught, Jorene Hudspeth, Suzanne Jenkins, Jennie Law, Ray Johnson, Ned Moore, Henry O'Neal, Janice Richardson, Cecil Robinson, Jimmy Shivers, Phil Smith and Sharon Wyatt.

Sophomores: All As—Jeannette Jenkins, Thelma McClung, Tommy Sewell and Mary Smith; A average—Linda Bingham, Billy Goodman, Alvin Houghton, Jerry Legan, Jerry Smith, Sandra Smith and Dwayne Wheat; B honor roll—Neal Branscum, Jim Couper, Theresa Carlan, Tanya Cranford, Lucille Decker, Jerry Duncan, John Ferguson, Velta Hastings, Martha Jordan, Raley Smith, Darlene Josey, Laverne Williams and Eddie Townley.

Freshmen: All As—Lou Ann Hawkins, Sandra Jayroe, Gloria Jenkins, Barry Moore and Mark Smith; A average—Joyce Bingham, Margaret Maberry, Betty Robertson, Dan Newberry, Sunny Teague, Larena Weaver and O. H. Weaver; B honor roll—Dotty Albritton, Billie Blankinship, Charlotte Burleson, Charlotte Donham, Penny Ford, Andy French, Mary Hall, Kay Johnson, Van Newberry, Mary Debs Rountree and Larry Stephens.

PLAYING IT CAUTIOUS.

The following ad was seen in a small newspaper in a little mid-western town:

"Man old enough to know better desires companionship with lady not quite that old."

Tea napkins at The Herald.

A LIVING LEGEND — J. Frank Norflett of Hale Center, shown here with his wife, still has zest for this world, although he is 95 and ready to argue he's 100. Norflett, an amateur, became a sensational man hunter more than three decades ago after five swindlers took \$45,000 from him in Dallas. The West Texas rancher saw all five placed in prison. And his activities sent at least 61 other criminals to the penitentiary.

Captain and Mrs. J. C. Lambdin Here Visiting After Three Years in Japan

Captain and Mrs. Lambdin have and their children, Bruce, four, and Melissa, 21 months, are visiting her parents, Mr. and Mrs. W. H. Murphree.

Captain and Mrs. Lambdin have recently returned from Japan, where they lived three years while he was stationed at Johnson Air Force Base, just outside of Tokyo.

The children, who are Japanese-American and are brother and sister, were adopted a year and a half ago.

Mrs. Lambdin, who is a registered speech therapist, taught for two years in the Dependent School on the base and also taught courses in speech during night classes at the University of Maryland at the education center at the base. She taught two days weekly at the Dependent School and two nights at the university sponsored overseas program.

The family, who traveled a great deal in Japan, noted that the country was serene and beautiful, and the climate was very humid. The summer season was short in comparison to our seasons. Mrs. Lambdin commented that "dry, hot West Texas feels pretty good."

The Japanese people are friendly and courteous to the Americans who are living in their country. They are family conscious and love children. In restaurants the waiters are quite helpful with the children of patrons.

Although most items are available on the base, Mrs. Lambdin said she missed shopping in stores. The standard of living is at a higher level than before the war. Eating habits of the Japanese people have changed and become more varied as the people have introduced new foods into their diets. The younger generation is much larger and taller in stature than their elders because of the more adequate diet.

Western habits and customs

Public Invited to Wolf Hunters' Gathering

The public is cordially invited to attend a dedication program for the Fisher County Wolf Hunters Association on the Claud Crowley place, three and one-half miles northeast of Royston, Saturday.

There will be a spread supper. Everyone is asked to bring any kind of food to be spread, and an old fashioned style supper will be served around 8:00 o'clock.

All candidates for office in Fisher County, as well as ones who now hold office, will be in attendance. Also entertainment features will be presented, including wolf barking from the wilds and a program for the older wolf hunters who are now inactive.

Garden Club Adds Support to United Clean-Up Project

Mrs. Joe League, president of the Hamlin Garden Club, this week added her organization's support of the community's 1960 Clean-Up, Paint-Up, Fix-Up campaign.

Garden Club members will be available to lecture on planting and flower arrangement at their annual Flower Show in the high school gymnasium Saturday, April 23, kick-off date for the city-wide clean-up campaign. In addition, according to Mrs. League, the members will advise block captains how to organize a "plant swap" to diversify area gardens.

Mrs. League urged all residents to attend the Flower Show and vote for their favorite flower, tree and shrub, to be named Hamlin's official flower, tree and shrub. She said when these have been determined, the club will urge everyone to carry out the theme in their spring planting. Special instructions on how to successfully grow these items will be available from the Garden Club headquarters. "Plant up and beautify at clean-up, plant-up, fix-up time," Mrs. League concluded.

The Egyptians gave us the inch, which they called the ynce. It was the distance from the end of the little finger to the first joint.

Jaycees Complete Plans for Tri-County Softball Loop Here

Hamlin Jaycees last Tuesday evening approved plans for organizing the Tri-County Jaycee Softball League at their regular meeting in the oil mill guest house, according to Dwayne Stallcup, team manager.

The league, consisting of Jones, Haskell and Taylor Counties, is composed of teams from Abilene, Anson, Ericksdahl, Hamlin, Rochester and Stamford. Their regular schedule will be on Friday nights of each week. Bill Longley of Stamford is president of the league.

A softball tournament will be held in Stamford June 2, 3 and 4 with three seven-inning games scheduled for each night. Stallcup said work-outs started Thursday and will continue until June. A schedule for the playing season is now being drawn up and will be announced at a later date.

ALIGNMENT.

A little old man was seen every Sunday morning walking to the church of his choice. He was deaf, so he could not hear a word of the sermon or the music by the choir or the hymns sung by the congregation.

A scoffer asked, "Why do you spend your Sundays in that church when you can't hear a word?" He replied, "I want my neighbors to know which side I'm on."

HHS Students Visit Celotex Hamlin Plant

Last Tuesday members of the chemistry and physics classes of Hamlin high school made an extensive tour of the Celotex Corporation plant at Hamlin. The teacher, Harold V. Williams, and 26 students made the tour.

The tour proved enlightening to all members of the group. They saw the operations of processing the gypsum and emulsion and manufacture of wallboard. Jerry Howard, Otto Brown, Miller Harman and L. E. Madden of the Celotex plant explained various phases of the processes to the visitors.

LOOKING AT THE MAIL.

"Who's the letter from, dear?" "Why do you want to know?" "There you go again! Why do I want to know! You're the most inquisitive person I have ever known."

Tea and Book Review at Anson Will Commemorate Demonstration Week

Some 30,000 Texas Home Demonstration Club women will be among the 7,000,000 homemakers throughout the nation who will observe their fifteenth National Home Demonstration Club Week May 1 to 7, according to Mary Y. Newberry, Jones County home demonstration agent.

During the week most of the 1,700 Home Demonstration Clubs in the state plan special activities to highlight their programs. Special exhibits, community programs, feature stories, radio and television programs, and tours

are planned to inform other homemakers and families of the purpose of home demonstration work and to show its contribution to family and community life.

Today's home demonstration program takes into account that today's homemaker — and her family — face increasingly complex adjustments to the world around them.

The program is planned by homemakers and carried on co-operatively by the Extension Service of the U. S. Department of Agriculture, the land grant colleges and county governments. New research information in all phases of homemaking is brought to women and families through research home economists, specialists, home demonstration agents and local leaders. Club members also conduct special programs in civil defense and encourage and assist with local 4-H Club programs.

The 14 Jones County Home Demonstration Clubs are having a tea and book review in observance of National Home Demonstration Club Week on May 4 at 2:30 o'clock at the Anson Women's Club House. The public is invited to attend.

The heaviest artillery barrage ever heard on the Western Hemisphere was released on July 1, 1863, when 218 cannons were in action at Gettysburg.

Mrs. Robb Reviews Study Book at Meet

Mrs. Edmund W. Robb, wife of the pastor, was a special guest when members of the Cotton Circle of the Woman's Society of Christian Service of the First Methodist Church met Monday with Ella Temple.

Mrs. Ed Bailey opened the meeting with prayer. Miss Ella Temple, our co-chairman, presided over the business session.

Mrs. Robb reviewed several chapters from the study book, "People, Land and Churches," which was interesting.

The hostess served punch and cookies to attendees.

Next meeting of the group will be with Mrs. Robert Kneer in May.

Tom Branscum Kin Meet at City Park for Family Get-Together

Children of the late Tom Branscum family held their annual reunion at the Hamlin City Park Sunday. The affair featured a picnic lunch, picture taking and reliving of old times.

Attendees included Mr. and Mrs. Dan Branscum, Pat and Neal of Hamlin; Mr. and Mrs. E. J. Branscum of Louise; Mr. and Mrs. B. Branscum of Paducah; Mr. and Mrs. W. A. Branscum of Abilene; Mr. and Mrs. J. A. Branscum of Hamlin; Mr. and Mrs. B. Jameson and Estelle of Hamlin; Terry McChung of Rotan; Mr. and Mrs. C. M. Seifres of Rule; Mrs. Jake Carter of Borger; Mr. and Mrs. Sol Branscum of Hamlin; Mrs. Eddie Carpenter, Mark and Mike of Paducah; Mr. and Mrs. Wesley Groom, Janice and Derral of Abilene; Dais Carter and Terrell Carter of Borger.

Also Mr. and Mrs. Raymond Johnson and Teresa of Hamlin; Mr. and Mrs. L. B. Bruner, Dan Allen and Sharon of Hamlin; Mr. and Mrs. A. Branscum of Rotan; Mr. and Mrs. Noel Lee of Girard; Mr. and Mrs. Ed Branscum of Hamlin; Mrs. Mary Ervin, Mrs. J. E. Hix and Vada Lee of Hamlin; Mr. and Mrs. U. L. Lee, Margaret, Lida Sue, Brenda, Odell, Jim Dean and Johnny of Hamlin.

Add Sparkle and Vital Vitamins with New Green Salads

Serve crisp, green salads with your springtime meals, suggests Mary Y. Newberry, Jones County home demonstration agent. You will add sparkle and zest and some important vitamins to the menu.

Choose many greens, not just one. In that way you get different shades of green, different shapes and sizes, and variety of flavors.

Try lettuce, leaf or head, romaine, endive, chicory, escarole and water cress. If you do not know these salad greens, get acquainted with them. Try some of the other leaves that add dark green color and flavor... tender spinach leaves, kale, beet leaves and turnip tops. These are rich in vitamins and tangy in flavor. Select greens that are young, crisp and tender. The darker the green the greater the iron and vitamin A and C content.

Wash greens under running water in a sieve or colander. If they need crisping, let them stand 10 minutes to a half hour in ice water. Drain and shake to remove excess moisture. Dry lightly between towels. Store in the refrigerator in a damp cloth or waxed paper or in the hydrator.

To prepare salad, tear leaves into bite size pieces. Drizzle French dressing over them and toss together lightly until each leaf is coated. Tomato wedges, onion rings, radish slices, green pepper or carrot slices—all these add interest in color and flavor to green salads.

Mrs. Jerry Waggoner Hosts Xi Gamma Pi Meeting Thursday

Mrs. Jerry Waggoner was hostess for the regular meeting of Xi Gamma Pi chapter of Beta Sigma Phi when the group met last Thursday.

Mrs. W. T. Johnson, program director for the afternoon, presented Ruth Ann King from King's House of Charm in Abilene, who gave an interesting discussion of clothing and accessories for various occasions. The hostess served a refreshment plate to the following attendees: Mmes. Bill Feagan, W. T. Johnson, George Poe Jim Ballard, Weldon Carlton, Ardie Cassle, Weldon Griggs, E. J. Hawkins, Holly Toler and John C. Bryant.

On April 27 the chapter was to observe Founder's Day with Beta Theta chapter as guests at dinner in the Petroleum Club at Abilene.

Next regular meeting of the sorority will be in the home of Mrs. Earl Smith on May 12.

Two Given Rituals by Beta Theta Group

Spring ritual for the Beta Theta chapter of Beta Sigma Phi was read April 13 at 7:30 p. m. in the home of Mrs. W. A. Hawkins.

Mrs. Dwayne Stallcup, the president, read the ritual of Jewels, assisted by Mrs. Wilson Brannon and Mrs. D. C. Andrews.

Those receiving the ritual of Jewels pin wore Mrs. Jan a F. Harrison and Mrs. Tim Jones.

Mrs. Hawkins served refreshments to the following members attending: Mmes. Billy Joe Wilson, Wilson Brannon, D. C. Andrews, Tim Jones, James E. Harrison, L. C. Bonds, Dwayne Stallcup, Neil Laminack and Orville D. Roland.

It is difficult for the teen-agers to realize that in another 20 or 25 years they will be as ignorant as ma and pa are now.

Housewives Warned About Reporting Social Security Pay to Domestic Help

Some 100,000 housewives over the nation may be violating the social security laws by not making timely reports on the wages they pay their household help, according to a report furnished by R. R. Tuley Jr., Abilene district manager for the Social Security Administration, in a release to The Herald.

Each employer who pays a household worker (including a baby sitter) as much as \$50 cash wages during a calendar quarter must file a return with the Internal Revenue Service, giving the name, social security account number, and amount of wages paid the employee. The law puts the sole responsibility for filing the returns and paying the tax on the employer, even though the employee may have asked that no tax be withheld from the wages.

If not detected by the Internal Revenue Service through its routine enforcement procedures, those employers not filing reports may later be called to account in a number of different ways. Such could happen when a worker applies at the social security office for retirement or disability benefits, or when a survivor of a household worker applies for payment after the worker's death. An employer found to be delinquent under those conditions would normally be liable for the entire tax for several years back, plus interest and penalties.

Any housewife who employs domestic help (cook, maid, yard man, baby sitter, etc.) should ask the Abilene office of the Social Security Administration for the free booklet, "Social Security for Your Household Employee," and when received should complete the post card form attached and mail it to the District Director of Internal Revenue. She will then be placed on the mailing list for the quarterly tax return forms. Returns for the first three months of 1960 are due by April 30.

The Amazon Valley produces 19,619 of the 22,760 classified species of plant life, 8,000 varieties of trees, 700 of butterflies and 1,800 varieties of fish.

Wash and wear cotton garments can be worn for the best appearance without a few minutes of "touching up." Though the fabric may seem to have a perfect appearance, the trimmings, seams, collars and hems look better after a minute or two of pressing. Pressing time can be reduced by selecting garments with simple lines and a minimum of frills. For further information on taking care of today's clothing, ask Mary Y. Newberry, home demonstration agent, for a new leaflet, "For Clues for Clothing Care—Read the Label."

Some good wash and wear blends, Mrs. Newberry says are: 65% dacron and 35% cotton, 55% dacron and 45% rayon, 50% dacron and 50% rayon, 80% rayon and 20% cotton, 80% rayon and 20% cotton, 70% rayon and 30% wool, 80% rayon and 20% cotton, 70% rayon and 30% rayon, 70% rayon and 30% rayon.

The petty-coat was originally an article of clothing worn by men, and was something like an overgrown vest. The ladies came along, changed its spelling and purpose, and left the men vest-less.

8 out of 10 WOMEN GET RELIEF from nervousness and "hot flashes" of CHANGE-OF-LIFE in doctor's clinical tests!

Every case tested got striking relief from awful, agonizing attacks of change-of-life. Nervousness was reduced for as many as 87%... "hot flashes" 75%!

No Costly Shots Needed—Female Ailments Relieved! Results were credited entirely to Lydia E. Pinkham's Vegetable Compound. Acting through the sympathetic nervous system, it has remarkable power to relieve this functionally-caused distress. Don't suffer needlessly. See if that tension, irritability aren't relieved with Pinkham's. See if you don't escape suffocating "hot flashes" that made change-of-life so hard to bear. Today, get Lydia Pinkham's Vegetable Compound at all drug stores.

SLEEP 8 HOURS—WAKE UP TIRED? When due to simple iron deficiency anemia, take Pinkham Tablets. Rich in iron, they start to strengthen your blood in one day.

Fifty-Two Study Club Installs New Officers in Special Rites at Luncheon

"Depart in Friendship" was the theme of Fifty-Two Study Club installation luncheon April 15 held at Hickman's Restaurant in Aspermont.

Mrs. Dave P. Walker of Stamford installed the following officers for the 1960-61 year: Mrs.

Byron O. Bell, president; Mrs. Cecil Sellers, first vice president; Mrs. Jack Vaughan, second vice president; Mrs. L. A. Joiner, recording secretary; Mrs. E. J. Croan, corresponding secretary; Mrs. Jerry Howard, treasurer; Mrs. Noel Weaver, librarian and historian; Mrs. Keith Witt, parliamentarian; Mrs. Clarence Hyer, counselor; Mrs. Nadine Westmoreland, executive board member.

The meeting was turned over to Mrs. Byron Bell, who gave the president's speech and conducted a brief business session.

Those attending the luncheon were Mmes. Dave P. Walker of Stamford, Gene Westmoreland, J. A. Howard, Byron Bell, L. A. Joiner, Keith Witt, J. E. McCoy, H. D. Lain, Clarence Hyer, Tommy Davis, Irby Weaver, E. J. Croan, Fred Vaughan, and Mrs. Hugh Finley, a new member.

A Russian scientist recently dug through 50 feet of ice in Siberia, and found a stable made of logs hewn by crude axes, containing the well preserved bodies of 10 horses, saddled and bridled.

Friendship Club Sees Food Demonstration

Members of the Friendship Home Demonstration Club met Friday in the home of Mr. and Mrs. Richard Young Sr.

The meeting was called to order by the president. The council report was given.

The food leaders, Mrs. E. G. Young and Mrs. Carl Young gave a demonstration on how to prepare Swiss style green beans.

The hostess, Mrs. Richard Young Sr., served Swiss style green beans, hot rolls, angel food cake and punch to the following attendees: Mmes. E. G. Young, W. H. Gardner, Fred West, Carl Young and Sol Branscum; and two visitors, Lillie Young and Mrs. Tarlton Willingham.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

Austin—Texas leads all other states in the building of new interstate highways since the beginning of the program four years ago.

To date 562 miles have been completed in Texas, says State Highway Engineer DeWitt C. Greer, and 353 more miles are under construction. Cost so far has been \$460,400,000.

Target for the state is to have 3,030 miles in this main, heavy duty trunk system.

These roads, Greer points out, have built-in safety features and are three times as safe as ordinary highways.

Features that enable these roads to cut the traffic toll by one death a year for each 10 miles of length are:

1. Dividing of traffic to eliminate head-on collisions.
2. Grade separations to cut out intersection accidents.
3. Wide lanes with surfaced shoulders to provide ample room for passing.
4. Controlled access entrances and exits to ease cars on and off the highway.

But the super roads are only a fraction of the program in the state with more miles of public roads than any other in the country.

In the less elaborate highways not in the interstate system Greer says the state now has 1,029 miles of divided highways, with a goal of at least 2,700 miles by 1975.

Most Texas mileage is in the farm-to-market system, now up to 30,156 miles.

New Industry Seeking.—Reor-

Senator Johnson Says Civil Rights Bill Means Unity

Senate Majority Leader Lyndon B. Johnson said Sunday enactment by the Senate of a civil rights bill was a "triumph for national unity."

Johnson, in a radio report recorded for broadcast in Texas, said the civil rights bill is a "victory for fair play."

"It establishes the voting rights of all qualified citizens, but it does not treat the South as a conquered province. It is a triumph for grown-upness in our national politics and, most of all, it is a triumph for national unity at a time of great peril and of great opportunity in a world which is hurtling toward tomorrow and which has little time for yesterday," he said.

Johnson pointed out, "There have been those who were determined that we should do nothing about civil rights. There have been those who were determined that we should undertake so very much that the end result could only have been nothing at all."

Enactment of the bill came because a large majority of the Congress adopted a "policy of moderation," he told his listeners.

"Moderation," Johnson said, "means advance — sensible advance, obtainable advance — under the one great imperative of our system, which is that we keep this as a government operating by the consent of the governed."

The auto is here to stay, even if many motorists aren't.

A Vote for
Keith C. Wheatley
Candidate for
State Representative of 85th District
Is a Vote for the
Farmer, Rancher and Small Business Man!

ganized Texas Industrial Commission is setting out toward some tall goals with a short stick.

Commission, with a staff of one man plus a secretary, is after a Texas sized share of new industries for the state. Its appropriation for the year is \$23,750.

Other agencies of government have assisted, however, with research. Questionnaires already have been sent to Texas cities to build up a permanent file of data on potential sites.

No Wide Open Spaces. — As Texas prairie gives way to subdivisions, more and more Texans are getting in each other's way.

Problems growing out of the population explosion and rapid urbanization of Texas were the subject of a two-day Austin conference of newspaper men, civic leaders and planners.

Texas newspapers were commended by Steve Matthews, executive director of the Texas Municipal League, for their efforts in keeping the reading public informed on complex and changing city problems.

Conferees pondered how to plan orderly, pleasant communities for the 2,000,000 additional residents expected to be added to Texas cities in the next 10 years. Also how to correct the all-to-often prevalent bane of "acres of hot asphalt and cold stone," congested streets and the "grotesque suburban sprawl."

One Word Makes Difference. — Because of a slip of the tongue or typewriter in Potter County, the Court of Criminal Appeals dismissed appeals in three cases mistakenly addressed to the Court of Civil Appeals.

A court order from the district court in Amarillo said the defendants had given notice of appeal to the Court of Civil Appeals at Austin.

Since the cases were criminal cases—driving while intoxicated, contributing to the delinquency of a minor—the civil court could not handle them.

Trinity Permit Granted.—After the longest and probably most patient straining hearing in State Water Board history, the Trinity River Authority and the City of Houston were granted permission to build a \$40,000,000 dam at Livingston.

Also authorized was a \$5,000,000 salt water barrier at Wallisville.

Conclusion of the matter was a near miracle of compromise and appeasement. Initially Houston alone got together and agreed on a joint project with a 70-30 split on costs and water use, with Houston taking the larger portion.

But when the hearing came before the water board, the San Jacinto River Authority, North Texas Municipal Water District and affected land owners protested.

SJRA dropped its opposition when Houston agreed to use Trinity water for industry only and to step up buying of San Jacinto water for domestic use. Water board order provided that the rights of upstream users in North Texas should not be cut into by the new dam. That left only the land owners to satisfy—probably in court.

Home Held Up.—Highly controversial \$100,000-plus home for the Sam Houston State College president will not be built unless the governor and legislative budget board give the green light.

Henry Sears, chairman of the board of regents for teachers' colleges, made this promise to the Senate cost of government committee. If budget board opinion follows that of many legislators' recent comments, it will take a dim view of the project.

Senators told Sears they were irked with the teachers' college board for what they regarded as a "complete breach of faith" and an apparent by-passing of legislative intent to keep a check-rein on college building programs.

Tourist Revenue Falls.—Texas had a \$100,000,000 slip in tourist spending between 1957 and 1959.

State Highway Department's 1959 tourist industry report shows for 1957, 10,300,000 visitors and \$531,000,000 spent; for 1959, 9,600,000 visitors, \$431,000,000 spent. Highway Commission Chairman Herbert C. Petty Jr. said competition for tourists is strenuous. He said he hoped the new state advertising program, due to begin soon, would help us expand the crop.

KERRY DRAKE

Layne B. Blankinship Participates in Pacific Amphibious Landing

Layne B. Blankinship, fireman apprentice in the U. S. Navy, son of Mr. and Mrs. T. C. Blankinship of Hamlin, took part in a huge amphibious landing exercise March 22 on Formosa's southern coast while serving aboard the amphibious assault ship USS Princeton.

The exercise, termed Operation Blue Star, called for all participating units to assemble in the area March 20 along with Marine units based in the Far East and U. S. Republic of China Navy, Marine and Air Force elements.

Purpose of the operation, which

comprised over 18,000 Marines and 70 Navy ships, was to promote closer working relations between U. S. and Republic of China forces in practicing the conventional and vertical assault type amphibious landings.

Blue Star is one of the largest amphibious landings since D Day in 1945.

Dates for Fort Worth 1961 Stock Show Set

Dates for the 1961 Southwest Show in Fort Worth have been set for January 27 through February 5, according to the exposition's president and general manager, W. R. Watt.

Other officers who will direct

the Fort Worth Stock Show's 1961 season are: Amon Carter Jr., chairman of the board; S. M. Dougherty, vice president; Raymond E. Buck, secretary; and Fred H. Korth, treasurer. An executive committee of 30 board members of the board of directors has been named.

State Hospital Starts New Service Section

Wichita Falls State Hospital, to which several Hamlin area women's clubs have contributed and otherwise aided in recent years, has recently initiated a new "volunteer service" department. Its sole function is to develop all possible community re-

sources within the 56-county area, which the hospital serves.

Beulah Ann Johnson, a native of Tom Green County, has been appointed volunteer coordinator for this new project.

She emphasized the fact that it is to the interest of the citizens of Wichita Falls to aid the approximate 2,800 patients—and also of all citizens throughout the large district—to assist in the hospital program.

RARE FARN.

Didja hear about the cannibal who loved his fellow man—medium rare.

The bet literature in the world is a paragraph in the home town paper about you.

M. C. Strittmatter Is New Celotex Official In Industrial Relations

Election of M. C. Strittmatter, 44, as vice president in charge of industrial relations for the Celotex Corporation was announced this week by Henry W. Collins, president, in a release from the Chicago headquarters of the concern to The Herald.

Prior to joining the Celotex Corporation on April 1, 1959, Strittmatter served as director of industrial relations for Kennecott Paper Corporation at Salt Lake City. He was previously employed as director of industrial

relations of the Cyclone Fence Division of the American Steel & Wire Company of Waukegan, Illinois.

Re-elected directors of the Celotex Corporation at the annual meeting of shareholders were Louis J. Cross, Andrew J. Dallstream, Paul I. Davis and O. S. Mansell. All were elected for three-year terms.

MAKING HEADWAY.

Cal—"Can I have a cigarette?" Kitty—"I thought you'd quit smoking."

Cal—"I'm still in the first phase. I've quit buying."

Little League Gets Down to Regular Play This Week-End

Exhibition Tilts Saturday to Start Summer Activity

Saturday evening at 7:30 o'clock two exhibition baseball games at the official park will mark the opening of Little League baseball activity in Hamlin, declares Dr. M. L. Smith, president of the Little League.

The double-header bill of fare will pit the Braves vs. the Yankees and the Cardinals against the Giants. The affairs will be for three innings each.

The four teams in the league have been practicing for several days, and unusual interest is being manifested by both the boys and adults, Dr. Smith says.

M. P. Davis is manager of the Braves. Leading the Cardinals is E. G. (Sonny) Holzmann. In charge of the Yankees is Prentice Holland, and Gus Webb is directing the affairs of the Giants.

Regular season of the Little League's summer program begins Monday, May 2, at 7:30 o'clock, according to league officials.

FOREWARNED.

Stenographer—"Don't let mother catch you hugging and kissing me."

Office Worker—"But, Mabel, I'm not hugging and kissing you."

Steno—"I thought I'd warn you just in case."

Two Farm Clubs and Pee-wee Teams Bolster Little League Reserve

All four of the Little League team rosters are full, and two good farm clubs have been formed with the spare boys of the community, declares Dr. M. L. Smith, president of the league, on the eve of actual play this week-end.

L. R. Browning is in charge of the two farm clubs, and regular work-outs and some matched games are scheduled for the farm groups to keep them in condition as reserves for the four regular teams of Braves, Cardinals, Yankees and Giants.

Boys in the Little League and farm clubs are from nine to 12 years of age.

Supplementing the Little Leaguers are two Pee-wee teams made up of eight and nine-year-old boys. Browning also is working with these boys. He says he would appreciate some assistance of interested men of the community in maintaining the summer baseball activity for youngsters of the community.

MERGER NEEDED.

A girl was talking about her two boy friends.

"If I could combine them," she said, "I'd be the happiest girl in the world. Frank is gay, suave, rich, handsome and witty; and Don wants to marry me."

Regular Season Games Will Begin Monday at Park

Schedule of matched play for the four-team Little League unit of Hamlin has been completed, and play in the schedule will get underway next Monday evening.

The schedule follows:

Monday, May 2—Cardinals vs. Yankees.

Tuesday, May 3—Braves vs. Giants.

Thursday, May 5—Cardinals vs. Braves.

Friday, May 6—Giants vs. Yankees.

Monday, May 9—Yankees vs. Braves.

Tuesday, May 10—Giants vs. Cardinals.

Thursday, May 12—Giants vs. Braves.

Friday, May 13—Yankees vs. Cardinals.

Monday, May 16—Braves vs. Cardinals.

Tuesday, May 17—Yankees vs. Giants.

Friday, May 20—Braves vs. Yankees.

Saturday, May 21—Cardinals vs. Giants.

Monday, May 23—Cardinals vs. Yankees.

Tuesday, May 24—Braves vs. Giants.

Thursday, May 26—Cardinals vs. Braves.

Friday, May 27—Giants vs. Yankees.

Monday, May 30—Yankees vs. Braves.

Tuesday, May 31—Giants vs. Cardinals.

Thursday, June 2—Yankees vs. Cardinals.

Friday, June 3—Giants vs. Braves.

Monday, June 13—Braves vs. Cardinals.

Tuesday, June 14—Yankees vs. Giants.

Thursday, June 16—Braves vs. Yankees.

Friday, June 17—Cardinals vs. Yankees.

Monday, June 20—Cardinals vs. Yankees.

Tuesday, June 21—Braves vs. Giants.

Thursday, June 23—Cardinals vs. Braves.

Friday, June 24—Giants vs. Yankees.

Monday, June 27—Yankees vs. Braves.

Tuesday, June 28—Giants vs. Cardinals.

Thursday, June 30—Yankees vs. Cardinals.

Friday, July 1—Giants vs. Braves.

Monday, July 4—Braves vs. Cardinals.

HAMLIN HIGH SCHOOL WINNERS at the recent District Interscholastic League track and field meet at Haskell, and representatives last week-end at the regional meet at Lubbock were these tracksters: Back row (left to right)—Robert Brandon, pole vault; David Bonds, mile relay and high hurdles; and Gary Williams, 880-yard run; center row—Rayford Williams, mile relay and 440-yard run; Ken Prewitt, mile relay, sprint relay and 220-yard run; Sam Mack Hodges, sprint relay; Joe Orona, mile run; front row—Victor Criswell, mile relay; Dwight Griggs, high jump and high hurdles; and Larry Upshaw, spring relay.

DISTRICT GOLF WINNERS at the recent competition at Haskell were these four Hamlin High School boys, who last week-end participated in the regional meet at Lubbock. They are: Back row (left to right)—Jimmy Shivers and Randy Brown; front row—Mark Smith and Dan Newberry.

Athletes from Anson Win Junior High Track and Field Meet Title Saturday

Athletes of Anson Junior High School last Saturday easily took top honors at the junior high school conference track and field meet held in Anson. The county seaters rolled up 50½ points for the top spot.

Haskell racked up 36 points to take second place, while Albany was third with 35½ points. Hamlin came in fourth with 14 marks, and Merkel trailed with six points. Three new conference records were set at the area contests, and

Tuesday, July 5—Yankees vs. Giants.

Thursday, July 7—Braves vs. Yankees.

Friday, July 8—Cardinals vs. Giants.

another conference record was tied.

Complete results of the meet follow, by events:

50-Yard Dash—Cecil of Anson, first; Larry Butler of Hamlin, second; Thigpen of Haskell, third; Trice of Anson and Hise of Albany tied for fourth. Time 5.95 seconds.

75-Yard Dash—Cecil of Anson, first; Brown of Haskell, second; Woodward of Albany, third; Thigpen of Haskell, fourth; Jimmy Inzer of Hamlin, fifth. Tied old conference record of 8.4 seconds.

100-Yard Dash—Brown of Haskell, first; Cecil of Anson, second; Woodward of Albany, third; Trice of Anson, fourth; Middlebrook of Anson, fifth. Time 10.65 second (new conference record).

200-Yard Football Shuttle Relay—Haskell (Hester, Costa, McConis, across pit, Newcom, I. Colburn and Josselet), first; Albany, second; Anson, third; Hamlin (Jeff Willis, Cleon Warner, Doyle Bell and Mike Shivers), fourth; Merkel, fifth. Time 27.2 seconds.

440-Yard Relay—Haskell (Larson, Davis, Thigpen and Brown), first; Hamlin (Cecil Price, Jimmy Inzer, Cleon Warner and Larry Butler), second; Anson, third; Merkel, fourth; Albany, fifth. Time 50.8 seconds.

Chinning—Andrus of Anson, (46 times), first; Severs of Albany (41), second; Waters of Albany (37), third; Trice of Anson (35), fourth; Allen Cumble of Hamlin (34), fifth.

High Jump—Middlebrook of Anson, first; Lollar of Merkel, second; White of Anson, Emerson of Anson and Below of Albany tied for third. Height 5 feet 2 inches.

Broad Jump—Thigpen of Haskell, first; Trice of Anson, second; Cooley of Anson, third; Larry Butler of Hamlin, fourth; Brown of Haskell, fifth. Distance 17 feet 5½ inches.

Discus—Woodward of Albany, first; Davis of Haskell, second; Hise of Albany, third; Thigpen of Haskell, fourth; Watkins of Anson, fifth. Distance 138 feet 5 inches (new conference record).

Shot Put—Woodward of Albany, first; Middlebrook of Anson, second; Hise of Albany, third; Jimmy Inzer of Hamlin, fourth; Brown of Merkel, fifth. Distance 44 feet 7 inches (new

HHS Places Fifth At Region Track Meet at Lubbock

Athletes from Hamlin High School found the going mighty rough last Saturday at the Region I track and field meet at Lubbock. They could only muster 38 points to take fifth place in the big field of entries in the Class AA division.

Denver City scored 77 points to win the AA crown. Seminole, with 66 points, was second, and Stamford, with 44 marks, was fourth. Ballinger was seventh with 24 points, while Cisco scored six points.

Placing by Hamlin representatives at the Lubbock meet were as follows:

Hamlin's 440-yard relay team composed of Toby Shields, Ken Prewitt, Larry Upshaw and Sam Hodges placed third in this event. Hamlin's mile relay team was third in that event.

David Bonds was fourth in the high hurdles, and Dwight Griggs was sixth in the same event.

Dwight Griggs of Hamlin tied with Jim Whitfield of Lockney for first in the high jump with a mark of 5 feet 10 inches.

A person can be on the right track and still get run over if he doesn't keep moving.

HHS Golfers Finish Fifth in Region Meet

Jimmy Shivers, Randy Brown, Mark Smith and Dan Newberry, young golfers from Hamlin High School, found the going rough at last week-end's regional athletic meet at Lubbock and finished fifth in the play at Meadowbrook golf course.

Crane took the honors in the Class AA division as its four-stroke, Coleman's crew was second with 346 strokes. Quannah was third with 365, followed by Tulia with 371, and Hamlin's 379 brought the Pied Pipers in with fifth place. Stamford was disqualified when a team member failed to turn in his score.

Jaycees to Sponsor Volley Ball Tourney

Jaycees of Hamlin will sponsor a volley ball tournament in the high school gymnasium Friday and Saturday, according to Neil Laminack, manager.

Five independent teams from Abilene will participate, with the Jaycees from Abilene, Anson, Hamlin, Rochester, Snyder and Stamford. Other independent volley ball teams were invited to participate.

Two trophies will be presented. Admission to the games will be 25 cents, and everyone is invited.

Charlie L. Sellers, Stock Farmer, Dies At Home Tuesday

Prominent stock farmer in the Hamlin community for several years, Charlie Lee Sellers, died at the family home on Northwest Avenue A early Tuesday morning after an illness of about a year. He was 61 years old.

Born May 24, 1899 at Alba, Wood County, Texas, he was the son of Mr. and Mrs. Calvin Lee Sellers. He married the former Mackie Cox at Alba on November 15, 1918. They moved to this area about 30 years ago. He was a member of the First Baptist Church.

Funeral services were conducted Wednesday afternoon at the First Baptist Church. Officiating was the pastor, Rev. Lenard A. Hartley.

Burial was in the Hamlin East Cemetery under the direction of Hamlin Funeral Home. Pallbearers were Roy Cooper, Lee Hastings, Frank Allen, Paul Cooper, Jack Gray and Grady Smith.

Surviving the stock farmer are his widow, Mrs. Mackie Sellers; two sons, Cecil Sellers of Hamlin and Mack Sellers of Abilene; three daughters, Mrs. Ivan L. (Margaret) Howard of Denver, Colorado, Mrs. Harold H. (Betty) Walker of Dallas and Mrs. Guy (Toby) Weaver of Hamlin; two sisters, Mrs. Mae Taylor of Dallas and Mrs. Pearl Trapp of Cisco; and nine grandchildren.

THESE YOUNG PEOPLE were winners in tennis in the recent district meet at Haskell and represented District 6-AA in the regional meet last week-end at Lubbock. They are: Back row (left to right)—Gerald McCandless and Tommy Sewell; front row—Janice Ueckert and Zoan Winegeart.

Selection of Right Cotton Seed for Area Vital to Greater Harvest Yields

Selection of adapted varieties of cotton can boost cotton yields, grade and profit, growers of the Hamlin area are reminded by the cotton specialists of the Texas A. & M. College Extension Service. Cotton variety recommendations for Texas vary with soil types, climatic conditions and farming practices, points out Glenn Black, associate extension cotton specialist.

Increase in mechanical harvesting should cause producers to give consideration to varieties best suited to the type of machine they plan to use. The picker varieties have open type bolls and the stripper types have storm resistant or storm-proof bolls. In line with mechanization practices, Black says cotton should be planted in 40-inch rows with three to four plants to the row foot. Grass and weeds should be controlled for efficient machine operation and for the production of good quality cotton.

North Central and Central Texas growers will find that bottom lands or irrigated fields should produce best when planted to

Lieutenant Bennie Leatherwood Plays Vital Role in Tests of Plane Missiles

An Air Force officer from Thrall, Texas, this week flew as navigator on the first aircraft to carry two GAM-77 "Hound Dog" missiles from Florida to the North Pole and back.

First Lieutenant Bennie F. Leatherwood was also missile operator aboard the big B-52G jet bomber and launched one "Hound Dog" Tuesday at the climax of his historic 22-hour, 10,800-mile flight.

Leatherwood was married in 1955 to Shirley J. Nelson, daughter of Loy Nelson of Hamlin.

Flying high over the Atlantic Missile Range off Cape Canaveral, Florida, Leatherwood released the supersonic, air-to-surface missile from its carrying position beneath the bomber's wings. It then sped several hundred miles to the target, following a pre-set path programmed by Leatherwood to include evasive action.

Grandson of the late F. H. Shiller of Thrall, Leatherwood is navigator with a special air crew of the 4135th Strategic Wing, a unit of the Strategic Air Command. This six-man crew carried

and launched the first "Hound Dog" missile delivered to the U. S. Air Force, and will continue final testing of SAC's powerful new weapons system.

Leaving Eglin shortly after noon Monday, Leatherwood's crew scored another first when they took on jet fuel above the polar ice-cap. Boeing KC-135 jet tankers from Westover Air Force Base, Massachusetts, provided the first air-to-air refueling of a SAC bomber carrying two of the North American built missiles.

The eight-jet Boeing bomber continued north in daylight while the sun had set over the United States, and passed over the North Pole shortly before midnight. While over polar ice the pioneer air crew completed extensive tests of bomber and missile guidance systems in temperatures as low as 75 degrees below zero.

On its way back the "missile platform" bomber took on another load of jet fuel over Lake Superior and pushed south to Key West before rounding Florida for the Atlantic range.

Accuracy of the "Hound Dog's" free flight was monitored and recorded by a chain of radar sites on the islands southeast of Florida. Ground safety observers could have destroyed the missile station had shown it was veering from the pre-set course.

After Tuesday's launching Lieutenant Leatherwood returned to Eglin with the other "Hound Dog" still in position beneath the wing of the aircraft. Both missiles can be launched from a fully loaded bomber in flight, however, greatly extending its striking power.

The Texas air officer was graduated from Thrall High School in 1944 and entered the U. S. Army the following year. He saw service as an infantry rifleman in Japan and as an Air Force clerk and aircraft mechanic before he won his wings as a navigator in 1954.

Commissioned a second lieutenant after completing aviation cadet training, he has since served as navigator on SAC tankers and bombers at Bergstrom Air Force Base, Texas, and Altus Air Force Base, Oklahoma. He arrived at Eglin a year ago and lives at nearby Fort Walton Beach with his wife and their three daughters—Judy Lynne, four; Margie, two; and Donna Jean, one.

Jerusalem lives on the tourist dollar, and has more travel agencies than grocery stores.

HOT RODDER.
The teen-ager braked his jealousy to a screeching halt in front of the garage.
"Do you charge batteries?" he asked of the owner.
"Sure do, son."
"Swell!" exclaimed the boy.
"Put a new one in this car and charge it to my pop."

LUCKY FOR HIM.
"George is marrying one of those all-around girls. She swims, drives a car, golfs and is a pilot."
"Lucky for George he can cook, isn't it?"

World War I Veteran Meeting Set This Eve

Special meeting of veterans of World War I of the Hamlin area has been called for this (Thursday) evening, according to Commander Eugene Buchard of Barracks 1203. The session will be at 7:30 o'clock this evening in the dining room of the City Cafe.

Members of the local barracks and others are urged to attend the gathering. Refreshments will be served to attendees.

Roy Skaggs of Abilene will be the speaker of the evening. It is announced by the arrangements committee, including Mrs. J. F. Bobeen.

Most things come to those who wait—on themselves.

Funds Raised Here Help to Build New Addition at Center

Reflecting concrete accomplishments with funds raised in the Hamlin community and other areas of Central West Texas, beginning of immediate construction of a \$26,000 speech wing for the West Texas Rehabilitation Center at Abilene was announced this week by Z. Oswalt, president of the board of directors of the center. Rose Construction Company is the general contractor. He also announced that after due consideration the board of directors had voted unanimously to not apply for 1950-51 funds for the expansion.

Oswalt pointed out that a \$46,000 therapeutic pool wing was originally in the building plans and that the center has \$15,000 in the fund for the pool. But \$31,000 in additional funds is needed to construct the therapeutic pool.

When asked why the center is not using government funds, Oswalt pointed out that funds for the center's construction and operation have been raised without relying on any government money previously. Oswalt pointed out that the medical services and supervision at the center were provided without charge by members of the Taylor-Jones County Medical Society. He stated that the center is a symbol of private enterprise providing rehabilitation facilities for the people of the West Texas area. "It is a living example that the people in the area can provide for their own welfare needs on a local level."

West Texas Rehabilitation Center treats all types of handicapped persons upon prescription from a member of the American Medical Association. The center is a non-profit organization operated with funds derived from the people of West Texas. No one is charged over for the services regardless of financial circumstances, and any patient is eligible for treatment regardless of race, creed or color.

AMONG PARTICIPANTS at the "Springtime in Texas" Flower Show staged Saturday by the Hamlin Garden Club were the trio pictured above. Mrs. B. B. Colwell (left) was the sweepstakes winner at the exhibition. Mrs. John Ed Day (center) built the focal decoration depicting the theme of the show; and Mrs. Joe League was in general charge of the annual show, which attracted scores to the high school gymnasium between 3:00 and 7:00 p. m. Saturday.

Mrs. B. B. Colwell Wins Sweepstakes At Colorful Flower Show Saturday

Mrs. B. B. Colwell was the sweepstakes winner of the Hamlin Garden Club Flower Show, "Springtime in Texas," Saturday by receiving four blue, one red, and two white ribbons in the horticulture division; six blue, one red and two yellow ribbons in the artistic division, and award of distinction in the tri-colors and the sweepstakes, according to Mrs. Joe League, president.

Mrs. Harold Bonner placed second with seven blue, six red and one white ribbons in the horticulture division, and one blue, one red and two white ribbons in the artistic division.

Judges for the show were Mrs. L. W. Patterson of Sweetwater, Mrs. J. T. Holley of Colorado City and Mrs. H. L. Bosse of Stamford.

The show, held in the spacious new high school gymnasium, was open from 3:00 to 7:00 p. m.

Mrs. League reported that visitors to the show voted on an official flower, tree and shrub for Hamlin. Hamlin's official flower will be the rose; the tree will be mimosa; and shrub will be crepe myrtle. This project will be carried out to encourage more planting throughout the city.

Other winners named were: Mrs. L. B. Williams with six blue ribbons in the horticulture division; two red and two white ribbons in the artistic division; and one blue and one red in the award of merit division.

Mrs. C. F. Cook, with three blue, one red and two yellow ribbons in the horticulture division. Mrs. LaFoy Patterson, with one blue, one red and three yellow ribbons in the horticulture division; and one blue ribbon in the artistic division.

Mrs. F. B. Moore Sr., with two blue and one yellow ribbon in the horticulture division; and one yellow ribbon in the artistic division.

Mrs. Winnie Day, with one blue, three red and one white ribbon in the horticulture division; and one blue, three red and three yellow ribbons in the artistic division.

Mrs. L. B. Gage, one blue ribbon in horticulture; Mrs. Charles Lovell, one blue and one yellow in horticulture; Mrs. Fred Carpenter, one blue, one yellow and one white in horticulture; Mrs. Arlie Cassle, one blue and one yellow ribbon in horticulture division and one white ribbon in the artistic division.

Mrs. Joe League, two blue and one red in horticulture division; and one red in artistic division.

Mrs. Ed Bailey, one blue ribbon in horticulture; Mrs. M. T. York, two red and one white ribbon in horticulture; Mrs. Lillian Henry, one yellow ribbon in horticulture; and Mrs. Dick Maberry, one red ribbon in horticulture and one white in artistic division.

By invitation: Mrs. J. P. Morone, one red, one yellow and one white gain in horticulture with one blue, ribbon; Mary C. Gage, two blue ribbons; Mrs. Joe Hayer, one red ribbon; Alice Lovell, one yellow ribbon; and Robert Moore, one blue ribbon.

Out-of-town entries: Mrs. Dave Walker of Stamford, four blue, four red and one yellow ribbon in horticulture; Mrs. Mrs. Grady Bowdry, also of Stamford, with one yellow ribbon in horticulture, and three red, and one yellow ribbons in artistic division.

DePriest Students Win First Place in State Literary Meet

Students from DePriest Colored School in Hamlin won the first place trophy for Class B schools of Texas in literary events at the state Inter-scholastic League meet held Saturday at Prairie View College. DePriest amassed a total of 57 points in the various events to win the title.

Events in which first place awards were won by DePriest were: James Earl Pinkard, male solo; Sarah Oliver, piano solo; Juanita Douglas, Bertha Douglas, Alberta Gilbert, Joanne Pohnson, Hardy Nabors, J. W. Owens, Robert Jones and James Pinkard, mixed ceter; Sarah Oliver and Estelle Willis, debate team.

Quinzella Willis won second place in junior declamation. This is the second time DePriest has won first in the state meet in literary events.

Principal J. L. Starr expresses his appreciation to patrons for their cooperation in helping make the school term successful.

REA Job Is Never Completed, Says Midwest Official

Some folks think the job of electrifying rural America is about done, now that more than 96 per cent of all the farms, homes, schools, churches and businesses—outside the city limits—are being served with low cost electric light and power.

Not so, says Johnnie Ammons, manager of Midwest Electric Co-operative. Even more costly and difficult years lie ahead.

"We must run, just to stand still, and we are constantly moving forward," he insists, "because heavying up our lines to meet ever increasing demands for more kilowatt hours is a never ending job."

Back in 1935, most folks, including the so-called experts, "guesstimated that a farmer could possibly use as much as 90 kilowatt hours per month. They figured he might install a few 25-watt bulbs, throw away the battery for his old radio, and buy his wife an electric iron.

They didn't know Mrs. Farmer. They didn't realize that to her good refrigeration is much more important than to city folks. So a freezer followed her refrigerator.

Then the electric water pump and heater brought a wave of washers and dryers. The automatic electric range replaced the old coal, wood and coal oil stove . . . and on and on.

Meanwhile, Mr. Farmer found ways to milk his cow, feed and water his stock, move heavy crops into silos—cut hand labor drastically, with electric power. This made him happy, cost less, saved his back.

The result? Well today the average American farmer uses four to five times as much electricity as even the most optimistic "expert" guessed he would back there in 1935.

DePriest Enters One-Act Play Competition

"Don't Kiss Her Now," one-act play featuring students of DePriest Colored High School, has been entered in the District II contests, to be held Saturday at Breckenridge, according to J. I. Starr, DePriest principal.

Characters in the playlet are: William Covington as Bernie, the girl hater; Jack Breedlove as Wallie; Charles Hampton as Bob; Lillie Titus as Paula; Estelle Willis as Jean; Roberta Shelton as Alice; and Bertha Douglas as Dinah.

NEW PRESIDENT of the Hamlin Lions Club for the club year beginning July 1 is George E. Campbell (above), auditor for the Celotex Corporation plant at Hamlin. He was named at the Tuesday noon luncheon meeting of civic club.

HHS Seniors Receive Graduation Material

Seniors of Hamlin High School Monday received their caps and gowns for graduation exercises that will be conducted next month. Members of the class also received their graduation invitations, thank-you notes and souvenirs at the Monday class meeting.

Plans were made for the senior trip, that will begin May 10 as the graduates board a Greyhound bus for New Orleans, Louisiana. It was decided how rooms will be divided and clothes to take on the trip.

Stensils of all kinds at Herald.

George Campbell Elected President By Lions Group

George E. Campbell, auditor for the Celotex Corporation plant at Hamlin, was elected president of Hamlin Lions Club at the regular Tuesday noon luncheon meeting of the civic club at the oil mill guest house. He will take office on July 1, beginning of the club's new fiscal year. He will succeed Donley Williams.

Other officers elected at the Tuesday session were: Ed Croan, first vice president; E. A. Hewett, second vice president; E. G. Holzmann, third vice president; Charles Absher, secretary; Jerry Howard, treasurer; C. V. Herbert, Lion tamer; Orville D. Roland, tall twister; L. H. McBride, song leader; Fred Smith and Jerry Williams, two-year directors. The hold-over one-year directors are Lester Minton and Jerry Howard.

President-elect Campbell was elected a delegate to the annual convention of Lions International, to be held July 6 to 9 at Chicago, Illinois.

In connection with the current clean-up campaign in Hamlin, a film on "As the Home Goes," was shown. It offered suggestions for improvements of premises through clean-up, painting and repairing.

Guests at the Tuesday luncheon included Ed Shuck of Chicago, Illinois, and R. R. Tuley of Abilene.

The Atlantic entrance of the Panama Canal is 27 miles west of the Pacific entrance. Thus, a ship travels east to move westward.

4-H Club Party Slated Tuesday at Anson

Annual wiener roast and skating party for Jones County 4-H Club boys and girls will be held next Tuesday, May 3, beginning at 7:00 o'clock at the Anson City Park, according to an announcement this week by county extension agents Mary Newberry and Kirby Clayton.

After the wiener roast, the group will have a skating party at the Anson roller rink, one block north of the courthouse.

People living in villages average using 60 gallons of water per day; those in large cities, about 200 gallons.

VISIT AT AMARILLO.

Participation in National Clean-Up Project to Give Hamlin Recognition

Ground climax to the annual nation-wide Clean-Up, Paint-Up, Fix-Up program is the National Cleanest Town Contest, which is being sponsored for Hamlin by the Junior Chamber of Commerce. This contest is conducted by the National Clean-Up, Paint-Up, Fix-Up Bureau to give well deserved recognition to those cities and towns that have become better places in which to live by having conducted a clean-up campaign.

The rules are quite simple, with the emphasis on reviewing what your town has accomplished in its clean-up, paint-up, fix-up project. No elaborate or specially designed contest reports are necessary. However, your entry should be as factual and comprehensive as possible in telling the story of your campaign and your town. The energies of every local committee should be devoted to the accomplishment of campaign objectives rather than to the preparation of an impressive report.

Contest rules follow:

1. The campaign must be a real clean-up, paint-up, fix-up program. The accentuated spring trash pick-ups which are conducted by many municipal departments have fine and desirable effects, but these alone the bureau cannot classify as a clean-up, paint-up, fix-up program. The campaigns should be a comprehensive community-wide activity with all segments of the community participating—churches, civic organizations, schools, women's clubs and municipal officials.
2. Each Cleanest Town Contest entry must be accompanied by a National Cleanest Town Contest report form. A sample of this report form is included in your clean-up, paint-up, fix-up kit.
3. If a Cleanest Town Contest report form is used during the campaign to conduct a survey of accomplishments on a house-by-house basis, the totals should be tabulated for each listed item and

LITERARY WINNERS at the District 6-AA Interscholastic League meet held recently at Haskell were these Hamlin High School students. They participated last week-end in the regional contests at Lubbock. They are: Back row (left to right)—Janice Richardson, Danny McCurdy and Peggy Dodd; front row—Carol Jo Simpson and Geneva Brinegar.

a summary report submitted with your contest entry.

4. Supplementary materials in the form of scrapbooks, brochures, portfolios or any other appropriate form or container should be submitted containing the word and picture story of your clean-up, paint-up, fix-up campaign. A suggested outline for your contest entry is given below.

5. While originality, comprehensiveness of campaign and participation of community groups are important factors in the judging of the contest, the most important criteria will be the degree of accomplishment achieved as the result of the clean-up, paint-up, fix-up campaign in your town.

Awards and judging will be based on the following:

The National Clean-Up, Paint-Up, Fix-Up Bureau will award eight first, second and third place awards to be competed for on a national basis in eight separate population categories as follows: Cities over 1,000,000; cities 500,000 to 1,000,000; cities 100,000 to 500,000; cities 50,000 to 100,000; cities 25,000 to 50,000; cities 10,000 to 25,000; cities 5,000 to 10,000; and cities under 5,000.

First place winners in these eight classes will be eligible for the Ernest T. Trigg national award which is awarded to the city or town conducting the best clean-up, paint-up, fix-up campaign regardless of size.

2. A special award will be made to that city or town entering the contest for the first time, regardless of population, which conducts the best clean-up, paint-up, fix-up campaign.

3. Competing communities not winning a trophy, but which in the opinion of the judges conducted a campaign worthy of special recognition will be awarded a certificate of achievement.

4. The judges shall be the secretary of the interior, the secretary of commerce and the president of the United States Chamber of Commerce or their representatives.

Correct Posture Being Emphasized In Special Week

With the objective of making the public aware of the importance of spinal hygiene to health, Correct Posture Week will be observed in Texas beginning May 1.

This will mark the eleventh straight year posture week has been sponsored by the Texas State Chiropractic Association in an effort to impress upon Texans that spinal normality and correct posture are basic to health and healing.

In a statement issued by Dr. E. V. Mullenburg of El Paso and Jay H. Perreton of Houston, state co-chairmen of posture activities, it was stated that the spine houses the body's power and communication system, both of which can be impaired by spinal defects, thus lowering a person's efficiency as well as lowering his resistance to disease.

Observing the rules of good posture, it was stated, can do much toward keeping the spine in line.

Various activities are planned to show the relationship between posture, the spine and good health.

Hamlin area, along with other areas of the state, have held posture queen contests, the winners of which will compete in finals that will be held during the TSCA convention in Houston in June.

12. Outline the inspection methods used in obtaining and evaluating results of the program.

14. Send your report to the National Clean-Up, Paint-Up, Fix-Up Bureau, 1500 Rhode Island Avenue, N. W., Washington 5, D. C.

15. All reports must be received by the bureau by January 1 following the year covered by the entry. The final judging is done shortly after this closing date, and the results announced to the nation. After this announcement is made all reports will be returned to the local committees.

VISIT FROM DALLAS.

Mr. and Mrs. J. E. Branscum, Janice and Jerry Lynn of Dallas spent the week-end in the homes of Mr. and Mrs. Sol Branscum and Mr. and Mrs. Ed Branscum.

Estimated Two from Jones County Among May Army Draftees

An estimated two draftees will go from Jones County in the May call for men in the national draft.

State quota for Texas draft men in May calls for 350 men, Colonel Morris S. Schwartz state selective service director, announced Tuesday.

The state's May call of 350 compares with a quota of 270 for April and 265 for March.

Coolen Schwartz also announced

that local boards would send around 600 men for pre-induction physical and mental examinations. These men return home after being examined at examining stations.

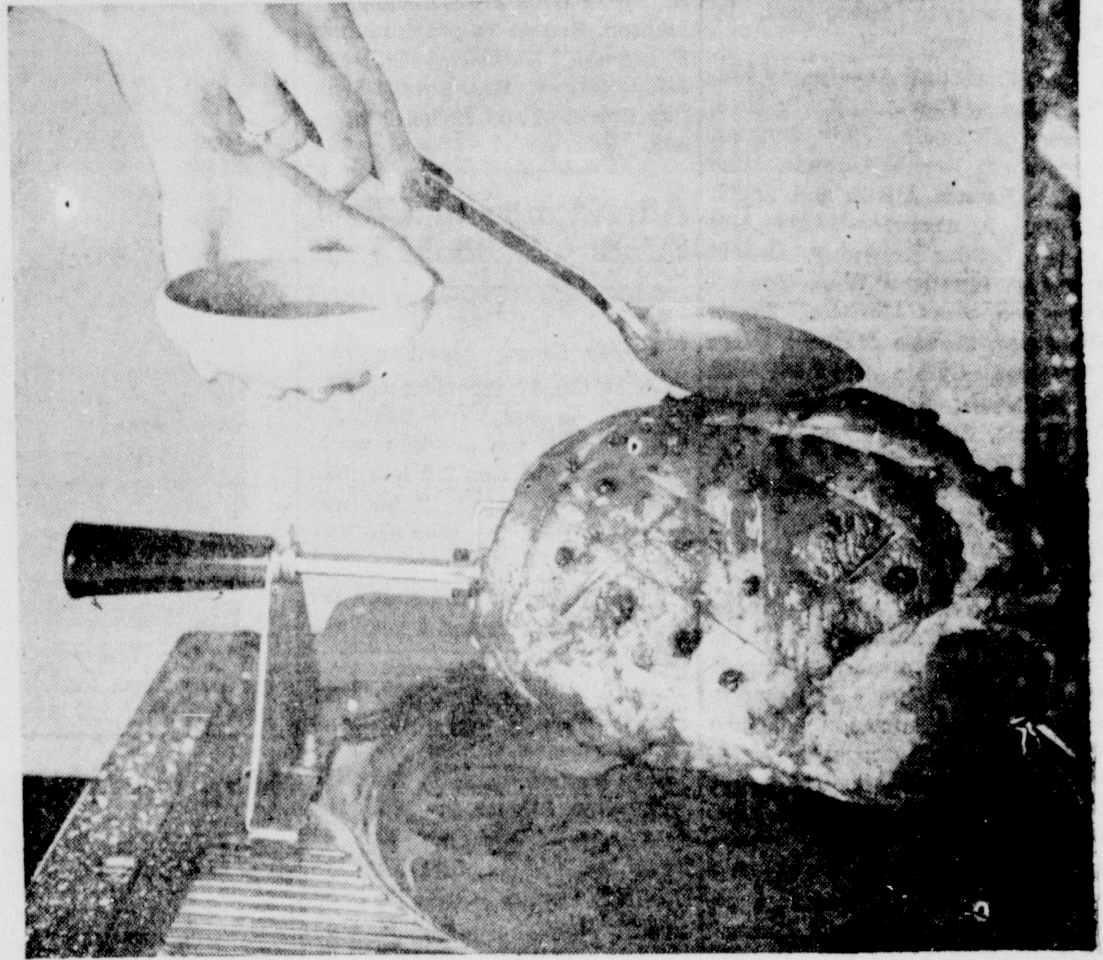

Local board quotas for the May call already have been figured and sent to the state's 137 local boards. Board for this area is at Hamlin.

The May quota will be filled with men who are at least 22 years old on May 1, with the exception of volunteers or delinquents, who may be younger.

SOME OVERLOOKED.

"Henry," cried the wife, "I'm so ashamed of the way we live. Dad pays the rent, mother sends us money for our food, Aunt Felice pays for our clothes, and my brother is making the payments on our car. I hate to complain, but can't we do better than that?"

"You're right," agreed the husband angrily. "We are going to have to do better. Now, what about those two uncles of yours who don't send us anything?"

Perfect results time-after-time with Gas automatic rotisserie!

Ready for your glaze. Newest way to cook: gas rotisserie. Self-basting. Gives flame-kissed flavor, chef-like results every time. More people pay less to cook with the best: wonderful, modern gas!

SHOES THAT FIT CAN AFFECT YOUR POSTURE!

WE FEATURE LIFE STRIDE AND ROBINETTE SHOES FOR WOMEN AND GIRLS AND ENNA JETTICK ARCH SHOES

Surprising as it may seem, there is an important relationship between your feet and your spine. Whether you have good posture or not, your shoe fit is vital, because ill-fitting shoes can create foot disorders which may in turn induce spinal misalignments due to incorrect posture habits or vice versa.

You can be sure of proper fitting shoes at Bailey's Department Store. We use the most modern methods of fitting—yet there is no sacrifice of smart styling.

CHIROPRACTOR

sentatives. The decisions of the judges shall be final in all matters pertaining to the selection of winners, and the awarding of prizes in this contest. The National Clean-Up, Paint-Up, Fix-Up Bureau reserves the privilege of sending an inspector to check the results of any or all campaigns.

5. The national award, the first, second and third place prize trophies, the first time winners trophy, and the certificate of achievement become the permanent possession of the winners.

The following outline is a guide to be used in preparing a report constituting an entry in the National Cleanest Town Contest. Wherever possible, use statistical data to show extent of improvement. (Example: Of the 60 public rest rooms rated unsatisfactory last year as to hand washing facilities and sanitation, 35 have been improved to meet local health standards.)

1. City and state. Population as of latest census. Indicate whether the population figures include only the area embraced within the city limits or if the campaign was extended to the greater metropolitan area. If it is a county-wide campaign please indicate the number of towns and communities that participated.
2. Name, title, organization and address of general chairman or others exercising overall supervision of program.
3. Dates the clean-up, paint-up, fix-up campaign began and ended. It is essential to indicate if the results reported are for a week or two intensive campaign or for a year-round campaign.
4. Municipal, civic or other organizations sponsoring the clean-up, paint-up, fix-up program, such as Chambers of Commerce, women's club, garden clubs, service organizations and names and titles of their members most active in the program.
5. Organizations or agencies, other than above, active in promoting or conducting the program.
6. Outline the extent of publicity—articles, editorials, pictures—in newspapers and other publications, radio and television program, parade, stunts, group meetings, quantities and types of window displays, window cards, streamers, posters, truck banners, movie trailers, etc., used.
7. Detail the results of the clean-up, paint-up, fix-up campaign under such headings as: (a) Cleaning and beautifying parks and play grounds; (b) cleaning and improving of vacant lots and other unsightly areas; (c) cleaning of streets, alley and sidewalks; (d) repairing, cleaning and painting of interior and exterior of public buildings, including planting and landscaping; (e) repairing, cleaning and painting of industrial and commercial buildings; (f) repairing, cleaning and painting of apartment houses, hotels and hospitals; (g) repairing, cleaning and painting of homes; (h) improvement in cleanliness and sanitation of eating and drinking establishments; (i) improvements in cleanliness and sanitation of, and hand washing facilities in schools, public wash rooms and toilets and industrial buildings; (j) improvement in cleanliness and appearance of buses, street cars and other public conveyances; (k) improvement in cleanliness and attractiveness of parkways, highways and railroad right-of-ways entering city.
8. Elimination of health hazards through the destruction of insect breeding places and the extermination of rats, mice and other pests.
9. Report on the reduction in juvenile delinquency through the elimination of slum districts and cooperation of young people in the clean-up, paint-up, fix-up program.
10. Improvement in landscaping and planting of public and private property (grass, flowers, shrubs, trees, school and community forests, etc.).
11. Report the improvement in health, safety and fire prevention.

Eighth and Sixth Graders Tie for Top Place on Honor Roll at Junior High

Eighth and sixth graders of Hamlin Junior High School tied for top honors for those making the honor roll for the fifth six-week period of school, according to tabulations of the list just released by Marvin Carlton, junior high principal.

Each of the classes had 34 on the honor list. The seventh graders had 28 on the roll.

The complete honor roll, by grades, follows:

Sixth Grade: All As—Jimmy Kincaid, Jimmy Hawkins, Barty Sims, Glenda Hudspeth, Judy Jenkins, Judy Cade, Ronald Guthrie, Mike Smith, Pamela Austin and Sheila Stone; A average—Buddy McClung, Sandra Browning, Donald Embrey, Sherilyn Witt, Tommy Ferguson, Jan Albrighton, Dottie Shepherd, Johnnie Harbert, Mike Rountree, Cythia Stephens and Patsy Sauls; B honor roll—Jane Ferguson, Scotty Brown, Margie Young, Rodger Bell, Kay Hedgett, Bobby Robertson, Jimmy Stuart, James Webb, Junie Jordan, Freida Ford, Dougals Sharer, Danny Warner and Linda Helms.

Seventh Grade: All As—Nancy Ford, Larry Farnsworth, George Smith, Jackie Townley, Elizabeth Cunningham, Connie Jo Duncan, Mary Loyce Patterson, Holman Jones, Carolyn Reynolds, Marilyn Reynolds and Mary Margaret Turner; A average—Paul Kim, Linda Hallmark, Stanley Smith, Pat Batchelor, Mike Shivers, Mary A. C. Smith of Swenson, April 21; Mrs. Ralph Windsor of Aspermont, April 23; Mrs. G. C. Maynard, April 21; Gene Stovall, April 21; Mrs. Charles Park of Rotan, April 23; Mrs. Jim Shelton of McCaulley, April 22.

Merchants Motor Line Cited for Safety Mark

Overall safety record of Merchants Fast Motor Lines, which serves Hamlin and most of Central and Northwest Texas, has been named first in the nation for 1959 in the 10,000,000 to 20,000,000 mile division for the second straight year, the American Trucking Association announced at Washington, D. C., Saturday.

The firm's record was picked for first on the basis of 23 of on per cent accidents for each 100,000 miles driven on the open road.

Piggly Wiggly Offers Appliance Awards

Choice of two awards has been posted by Piggly Wiggly as free gift, to be given away Saturday, May 14, according to Edgar Duncan, owner. The awards are an Atlas sewing machine or Atlas vacuum cleaner, both of which are on display at the store.

Patrons of the store may register as often as they like for a chance at the awards, Duncan declares.

All kinds pencils at The Herald.

Freight Carloadings For Santa Fe Climb

Freight carloadings for the Santa Fe Railway System for the week ending April 16, 1960, were 25,226 compared with 24,799 for the same week a year ago.

ing a sizeable gain. Cars received from connections totaled 12,086 compared with 12,341 for the same week a year ago.

Total cars moved were 37,312 compared with 37,140 for the same week a year ago. Santa Fe handled a total of 37,974 cars in the preceding week this year.

AN ORDINANCE FIXING AND DETERMINING THE GENERAL SERVICE RATE TO BE CHARGED FOR SALES OF NATURAL GAS AND NATURAL GAS SERVICE TO THE RESIDENTIAL AND COMMERCIAL CONSUMERS WITHIN THE CITY LIMITS OF HAMLIN, JONES COUNTY, TEXAS, PROVIDING FOR THE MANNER IN WHICH SUCH RATE MAY BE CHANGED, ADJUSTED AND AMENDED, AND DECLARING AN EMERGENCY.

Be it ordained by the City Council of the City of Hamlin:

Section 1. Effective with the first gas bills rendered on the 1st day of July, 1960, the general service rate for sales of natural gas and natural gas service rendered to residential and commercial consumers within the city limits of Hamlin by Lone Star Gas Company, a Texas corporation, its successors and assigns, is hereby fixed and determined as follows:

Minimum monthly bill, \$1.53. First 1 MCF @ \$1.760 per MCF gross; \$1.584 per MCF net. Next 1 MCF @ \$1.482 per MCF gross; \$1.334 per MCF net. Next 3 MCF @ .927 per MCF gross; .834 per MCF net. Next 20 MCF @ .649 per MCF gross; .584 per MCF net. All over 25 MCF @ .593 per MCF gross; .534 per MCF net.

Net rate shall apply to all bills paid within ten days from monthly billing date.

This ordinance does not regulate any rate or charge except those specifically set out hereinabove.

The above rate is applicable to each residential and commercial consumer per month or for any

part of a month for which gas is used at the same location.

Section 2. The rate set forth in Section 1 may be changed and amended by either the city or company furnishing gas in the manner provided by law. Service hereunder is subject to the orders of regulatory bodies having jurisdiction, and to the Company's Rules and Regulations currently on file in the Company's office.

Section 3. The fact that there is an imperative public need for an immediate change and adjustment in the rate for gas and gas service furnished to residential and commercial consumers creates an emergency and the reading and passage of this ordinance at three separate meetings is hereby suspended and this ordinance shall take effect and be in full force from and after the date of its passage at a single meeting and the approval thereof by the mayor.

Passed and approved on this the 17th day of April, A. D. 1960. Attest: Mrs. H. M. Barrow, City Secretary. Jno. V. Howard Jr., Mayor.

State of Texas, County of Jones: I, Mrs. H. M. Barrow, secretary of the City of Hamlin, Jones County, Texas, hereby certify that the above and foregoing is a true and correct copy of an ordinance passed and approved by the City Council of the City of Hamlin at a regular session held on the 19th day of April, 1960, as it appears of record in the minutes of said City Council, in Book 4, page 398.

Witness my hand and seal of said city, this the 20th day of April, A. D. 1960—Mrs. H. M. Barrow, City Secretary, City of Hamlin, Texas. 27-2c

Farm Bureau Head Urges Opposition To Poage Proposal

J. H. West, president of the Texas Farm Bureau, has called on Jones County Farm Bureau leaders to muster opposition to a farm program advocated by Congressman W. R. Poage of Texas.

In a letter to county Farm Bureau presidents and policy execution chairmen, West also urged them to contact their congressmen and senators in support of Farm Bureau's proposed wheat legislation.

West charged that the Poage bill would change the entire concept of farm program legislation as it is known today.

"Basically, it involves elements

of tight government controls with direct payments under nationwide marketing orders on a commodity-by-commodity basis, and encompasses, with but few exceptions, every commodity produced by farmers and ranchers.

"If the program should become law, the cotton allotment could be reduced to about 9,000,000 acres and wheat to approximately 23,000,000 acres," West warned.

ed. The present cotton allotment (including choice A and B programs) is about 17,500,000 acres and the minimum wheat allotment is 55,000,000 acres.

A bank account does not show who is rich or poor—only who has money. People are rich or poor from the inside, not from the outside.
